Mr. Baker gave an update for Dr. Sutton-Johnson, that she is working on filling the vacant Nurse Consultant position since Ms. Falls moved to Connecticut last month.

Ms. Passett advised that her section is seeing a slight slowdown prior to the graduations which will pick back up later this month. They are working to fill two vacancies, one phone agent, and one processor from the team which reviews all applications with health/criminal/discipline history, and the supervisor for that team Patricia (Trish) Beshay will be attending the June board meeting.

Ms. Benson provided the board with some data on the number of current applications received and awaiting processing. She also encouraged anyone interested to participate with articles for the Florida Nursing Quarterly.

Mr. Baker advised that he attended the NCSBN Midyear Meeting in St. Louis last month and that it was good being with regulatory colleagues in-person. His assignment as interim Executive Director for the Chiropractic Unit ended recently when the new Director was hired. He reminded the members of the June Long-range Planning meeting and to submit agenda items to him or counsel. We will also decide NCSBN Annual Meeting (in August) voting delegates at the June meeting. Mr. Baker will be in Chicago next week for a NCSBN Leadership Succession Committee meeting and again in May for the NLC Executive Committee meeting. The office is excited to get additional staffing in the upcoming fiscal year from a request submitted to the Legislature, which is pending approval of the budget by the Governor.
