## Important Information for all Applicants

To apply for a multistate license upgrade **you must have a current single state Florida** Licensed Practical Nurse (LPN) or Registered Nurse (RN) license. If your declared primary state of residency is another Compact State, you are not eligible for a multistate license in Florida.

## Nurse Licensure Compact State Information

Florida is a member of the Nurse Licensure Compact (NLC). The NLC allows a registered nurse or licensed practical nurse licensed in a Compact State to practice across state lines in another Compact State without having to obtain a license in the other state unless the nurse moves and declares the new Compact State as their new primary state of residence. It is important to understand that the NLC requires nurses to adhere to the nursing practice laws and rules of the state in which they practice under their Compact license. The Compact does not include Advanced Practice Registered Nurses. If a nurse moves from one state to another and establishes residency, the nurse must apply for licensure in that state. Visit the National Council of State Boards of Nursing (NCSBN) website <https://www.ncsbn.org/nurse-licensure-compact.htm> for a list of states that have implemented the Compact.

### **Electronic Fingerprinting: (Required for ALL applicants)**

All applicants, including out-of-state applicants, are required to submit their fingerprints electronically. The Department of Health accepts electronic fingerprinting offered by Livescan service providers that are approved by the Florida Department of Law Enforcement. For a list of approved vendors, visit our website at <http://www.flhealthsource.gov/background-screening/>.

The Florida Department of Health retains fingerprints on any applicant in the Care Provider Clearinghouse. One of the requirements for your Livescan to be retained in the Care Provider Clearinghouse is a photograph must be taken by the Livescan service provider at the time of fingerprinting. Your background screening results will be retained for five years. You will be notified when your retention date is approaching and will be provided with instructions on how to retain your fingerprints to avoid having to submit a new background screening.

Applicants needing hard fingerprint cards can request them via email at [MQA.BackgroundScreen@flhealth.gov](mailto:MQA.BackgroundScreen@flhealth.gov). Request must include the current mailing address you want the cards mailed to. To find providers who offer this service go to <http://www.flhealthsource.gov/bgs-providers>. - **RIGHT TO CHALLENGE AN INCORRECT CRIMINAL HISTORY RECORD**

This notice is to inform you that when you submit a set of fingerprints to the Florida Department of Law Enforcement (FDLE) for the purpose of conducting a search for any Florida and national criminal history records that may pertain to you, the results of that search will be returned to the Care Provider Background Screening Clearinghouse. By submitting fingerprints, you are authorizing the dissemination of any state and national criminal history record to be employed, licensed, work under contract, or serve as a volunteer, pursuant to the National Child Protection Act of 1993, as amended, and Section 943.0542, Florida Statutes. "Specified agency" means the Department of Health, the Department of Children and Family Services, the Division of Vocational Rehabilitation within the Department of Education, the Agency for Health Care Administration, the Department of Elder Affairs, the Department of Juvenile Justice, and the Agency for Person with Disabilities when these agencies are conducting state and national criminal history background screening on persons who provide care for children or persons who are elderly or disabled. The fingerprints submitted will be retained by FDLE and the Clearinghouse will be notified if FDLE receives Florida arrest information on you.

**Your Social Security Number (SSN) is needed to keep records accurate because other people may have the same name and birth date. Disclosure of your SSN is imperative for the performance of the Clearinghouse agencies' duties in distinguishing your identity from that of other persons whose identification information may be the same or similar to yours.**

Licensing and employing agencies are allowed to release a copy of the state and national criminal record information to a person who requests a copy of his or her own record if the identification of your record was based on submission of the person's fingerprints. Therefore, if you wish to review your record, you may request that the agency that is screening the record provide you with a copy. After you have reviewed the criminal history record, if you believe it is incomplete or inaccurate, you may conduct a personal review as provided in S. 943.056, F.S., and Rule 11C-8.001, F.A.C. If national information is believed to be in error, the FBI should be contacted at 304-625-2000. You can receive any national criminal history record that may pertain to you directly from the FBI, pursuant to 28 CFR Sections 16.30-16.34. You have the right to obtain a prompt determination as to the validity of your challenge before a final decision is made about your status as an employee, volunteer, contractor, or subcontractor.

Until the criminal history background check is completed, you may be denied unsupervised access to children, the elderly, or persons with disabilities.
